Instructions for downloading Microsoft Visual Studio for Windows

The Department of Mathematics and Computer Science subscribes to Microsoft Software through DreamSpark. As a student in CS 150, you can download software from this site. The software that we are using in CS 150 is Microsoft Visual Studio 2010 Ultimate.

You must be in Microsoft Windows for this to work. If you have a Mac, then use the Mac instructions.

You will have received an email from: Pacific University Department of Mathematics and Computer Science that looks like the one below. Click on the link below (Complete Your Registration).

** This is an automated message - please do not reply as you will not receive a response. ** to your DreamSpark WebStore: Welcome shereer Pacific University - Department of Mathematics and Computer Science - DreamSpark Premium You'll be excited to know a user account was just created for you at your school's DreamSpark WebStore. With it, you can download and access a wide range of Microsoft developer tools, servers, and platforms for free! Get Started Now To complete the registration process, you need to follow just 1 step! Clicking the registration link below will send you to a page where you'll be asked to create a unique password for your account. Once that's complete, you're done! Complete Your Registration: http://e5.onthehub.com/d.ashx?s=lvfihl75iv&u=bee03d23-ee2e-e411-9403-b8ca3a5db7a1 If you are redirected to your institution's internal sign-in page, use your institution credentials. Technical Support If you have any technical difficulties while registering, downloading the software, or anything else, check

out the Help section of your WebStore and review the frequently asked questions. If you don't find what

This will take you to the Microsoft DreamSpark website in your browser. Complete the information using your own name and create your own password, then click Register.

Get Your Software in 4 Easy Steps

 Download the Secure Download Manager (SDM) installation file If you have completed this step previously, go to step 3.
 Download SDM (2)
 Locate the file from step 1 and run it to install the SDM (2)
 Locate the file from step 1 and run it to install the SDM (2)
 Download the .SDX file for your order (2)
 Download _SDX (2)
 When the SDM launches, start downloading your software. (2)
 If the SDM application does not launch automatically, locate the file from step 3 and open it to download your software.

Becure Download Manager			
Welcome to the Secure Download Manager Setup Wizard			
This wizard will guide you through the steps required to install the Secure Download Manager on this computer.			
When the SDM has been installed, you will be able to download your software.			
The SDM provides for secure, effective and efficient downloads, especially for files that are too large for some browsers to download. You receive the software that you ordered, safely and completely.
