

# Summary of Course Feedback

## 2. Lectures / Labs

Could not survive without lectures and labs

Lectures help

Lectures are great

Lectures more helpful than labs

Labs are very useful

Book confusing, lab the best

Some lectures are repetitive and boring

Lectures are a little boring and repetitive

More labs, maybe 2 per week

Lectures are helpful

Lectures are great (board work of examples), labs are good for practice

Lectures are useful, labs are great

## 6. Enjoy

Enjoy the labs, except 8am (7)

The projects (2)

Lecture isn't boring (4)

## 7. Would like to change

Would like to move through material a little faster

More clarity on some assignments and more practice, study hall, worksheets (6)

The time of the lab (4)

Improvement or discarding of labs

More labs

Lectures are a little boring
