The screenshot shows the Google Docs web interface. At the top, there are navigation links for Gmail, Calendar, Documents (which is active), Photos, Reader, Web, and more. Below these is the user's email address, profchadd@gmail.com, and links for Settings, Offline help, Help, and Sign out. The main header features the Google logo with 'Docs BETA' and a search bar with a 'Search Docs' button and a link to 'Show search options'. Below the header is a blue toolbar with icons for New, Upload, Share, Move to, Hide, Delete, Rename, and More actions. The left sidebar shows a navigation menu with 'All items' selected, containing options like Owned by me, Opened by me, Starred, Hidden, Trash, Saved searches, All folders, Items not in folders, Items by type, and Shared with... The main content area displays a table of documents. The table has columns for 'Name' and 'Date'. Under the heading 'EARLIER THIS MONTH', there is one document titled 'Hello!' with a date of 'Aug 18 me'. At the bottom of the interface, there is a status bar that says 'Select: All 1, None' and 'Showing items 1-1 of 1'.

Name	Date
EARLIER THIS MONTH	
<input type="checkbox"/> <a href="#">Hello!</a>	Aug 18 me

Select: All 1, None Showing items 1-1 of 1

Use **New** to create a **Folder**. Right click on the folder and **Rename** it to CS150. You will put all of your CS150 documents in here.

Use **New** to create a **Document**. Type your name in the document. Use **File | Rename** to name your document Hmwk1\_XXXXXXX, where you replace the XXXXXX with your **PUNetID**.

Click the **Share** button and select **Share with others**. Add [ShereenKhoja@gmail.com](mailto:ShereenKhoja@gmail.com) in the box on the left. Make sure **as collaborators** is selected. Click **Invite collaborators**. Type an appropriate subject and message then click **Send**.
