Project Poster

Date Assigned: Tuesday, April 10, 2012
Poster Due: Tuesday, April 17, 2012

I would like you to produce a professional poster to be displayed in the lab or hallway. The poster will be created in Microsoft PowerPoint, and should contain elements from your senior project presentation.

You can find some guidelines on poster preparation here:

http://xrds.acm.org/resources/how-to-write-research-poster.cfm
http://colinpurrington.com/tips/academic/posterdesign

Here are some templates:
