This Caree well probably atoo difficult and frustrating for most people.	
Choose this as one of your electives, very fun and interesting. Can be stressful, be rewarding when the program works.	
I don't know anyone who likes \$ 10 program. Other than the other people in this class of course.	
The course teaches alot of important things	-

2.2) Instructor framing Explanation.		

She is great, you could always count on her.

always helpful and easy to understand in lecture.	
Shereen is great. She's very triendly and approachable. She's Sometimes an infainly hand grader.	
Great prof., lectures are fun and easy to follow	
I think she is a great teacher.	
Takes it slow enough to make sure everyone understands, yet not too slow as to bos down the class.	
Nice. Kritish, Targht well	
2.4) Recommendation Explanation:	
2.4) Necommendation Explanation.	
She's good,	
I always recommend people take class from Shereer	
If you have to take a CS class, take it from Khoja, she is easy to talk too and available a lot.	

Easy to learn from

2.5) Please provide any additional comments that you want to make about the course and instructor.

I liked the group project "Airport" very much. It was a buff of fun.

good class didn't really like the group project, but overall pretty good.

More lab activities would be awasome!
