How do I submit this assignment?

You do not need to submit a paper copy! This assignment needs to be written using GoogleDocs and shared with the professor's Gmail account, profchadd@gmail.com.

Log into GoogleDocs here: <http://boxerdocs.pacificu.edu>

The screenshot shows the Google Docs web interface. At the top, there is a navigation bar with links for Gmail, Calendar, Documents, Photos, Reader, Web, and more. Below this is the user's email address, profchadd@gmail.com, and links for Settings, Offline help, Help, and Sign out. The main area features the Google Docs logo, a search bar with a "Search Docs" button, and a "Show search options" link. Below the search bar is a toolbar with icons for New, Upload, Share, Move to, Hide, Delete, Rename, and More actions. The left sidebar shows a list of items under "All items", including "Owned by me", "Opened by me", "Starred", "Hidden", "Trash", "Saved searches", "All folders", "Items not in folders", "Items by type", and "Shared with...". The main content area displays a table of documents with columns for Name and Date. The table shows one document named "Hello!" dated "Aug 18 me". At the bottom, there is a status bar indicating "Select: All 1, None" and "Showing items 1-1 of 1".
